

Дообрезной формат,
2 мм поля на вылет

The diagram shows a document layout with three nested rectangular borders. The outermost border is red, the middle one is blue, and the innermost one is yellow. A vertical dashed line runs down the center of the page, representing a fold line. On the left side, there are three L-shaped corner brackets: a red one at the top, a blue one in the middle, and a yellow one at the bottom, each corresponding to one of the borders. Text labels are placed next to these brackets. The label 'Дообрезной формат, 2 мм поля на вылет' is next to the red bracket. The label 'Итоговый формат после резки, 100x90 мм' is next to the blue bracket. The label 'Безопасная область дизайна, 94x84 мм' is next to the yellow bracket. The label 'Биговка' is placed vertically along the dashed fold line.

Итоговый формат
после резки, 100x90 мм

Безопасная область
дизайна, 94x84 мм

Биговка
